

# GREASE GO

A heavy duty, biodegradable degreaser

## Description

GREASE GO is a non-perfumed degreaser and general cleaner that is ideal to use in the food and beverage industry. It can be used to degrease and clean ovens, grills, utensils, floors, walls and other hard surfaces.

## Product Benefits

Biodegradable

Water based

Non-caustic

Multipurpose Use

Effective, concentrated cleaner

Does not contain Quaternary Ammonium compounds (QAC), formaldehyde, ammonia, EDTA

## Directions for Use

For general cleaning purposes, dilute 1 in 40 parts water. Mop or scrub onto surface to clean. Rinse off if necessary.

For heavier duty cleaning, dilute 1 in 4 parts water and repeat cleaning process as described above.

For burnt on carbon and grease, use GREASE GO neat. Apply GREASE GO, warm surface and allow 5 minutes contact time. Wipe or scrub off and rinse with water thereafter.

## Cautions

Even though the product is considerably less harmful than traditional detergents, general safety should still be adhered to, such as:

Do not ingest the product

Do not mix with other detergents
